CHILDREN'S MINISTRY AT CENTER CHURCH

NEWBORN THROUGH 4TH GRADE

"Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.'"

Luke 10:27

ADVENTURE KIDS

EXPLORING GOD'S WORD

Center's Children's Ministry uses a curriculum called **Spark Classroom**:

Kids ages 4 years-4th grade will explore the same Bible story and key verse each week. This hopefully allows the family an opportunity to have spiritual conversations by teaching the same Bible truth across all age levels. That way, families can apply those truths together in their daily lives, growing in their faith individually and as a family unit.

Why Spark Classroom?

- ◆ Kids learn the same Bible point in age-appropriate ways
- ◆ Kids don't just hear the Word. They experience it.
- ◆ Kids see God in their everyday world.
- ◆ The Scope & Sequence covers the whole Bible in two (2) years
- ◆ Families can easily have spiritual conversations at home

Why is family involvement important?

Search Institute published research showing that people are more likely to grow in their faith when their families put faith into practice at home. According to Search Institute, **"Four family practices are particularly important for helping young people grow in faith (both in childhood and adolescence): talking about faith with your mother; talking about faith with your father; having devotions or prayer; and doing family projects to help other people."**

How It Works:

Every Spark lesson follows a four-part sequence: Gather, Open the Bible, Activate Faith, and Send. Each week, kids and their leaders gather together to explore their Bibles, enjoy fun activities, pray and grow in faith.
